

Enrollment Information

Early Childhood Education is provided free for children ages three to five who **qualify based upon a screening and possible evaluation.** Children who are eligible for the program include those experiencing delays in mental, physical, communicative, social, emotional, or adaptive development, as well as children who have physical or mental conditions or medical or environmental circumstances that would result in delays. Children served through the Early Childhood program may qualify to receive assistance such as speech, language, and occupational or physical therapy.

If you have been notified that your child **qualifies**, you will need to supply the following during enrollment:
