Live. Learn. And Grow as Leaders

The
Leader in Me™

great happens here

THANK YOU!!!

THANK YOU so much for everyone who helped in any way with our Big Day last Friday. Whether you sent in items for donations, were part of the preparations, or gave your time on Friday - WE APPRECIATE YOU!!! It was a wonderful day and one I hope the students will always remember. I was amazed at our student's joy in serving! Leaders truly do shine bright when given the chance! The whole day was such a celebration and I was so proud of everyone!

Opportunities to help in May

May is a BUSY time full of fun activities for students as we celebrate a wonderful school year. In order for these activities to be successful we need YOU to help :))

Now is the time to be involved! Maybe it is your final year at HPE as your child moves to the Middle School or maybe you work and don't usually have time during the day. Please consider taking the time now. You will love it and so will your child!!

Field Day - May 17th - We have restructured our field day into a whole day celebration. We are looking for MANY parents to volunteer for the day.

If you are interested in volunteering for the day, please complete this sign-up. You will be contacted to confirm as the event is closer.

Are you Moving?

Please contact Mrs. Nonnemaker in the office if you are planning on moving over the summer. We will be sad to see you go and wish you well on your move. Once a Husky always a Husky!

Important Chromebook Information!

Dear Lee's Summit R-7 Families,

As we approach the end of the school year, we wanted to share important information about your child(ren)'s district-provided Google Chromebooks.

- All students -- with the exception of students taking LS R-7 summer school classes -- will turn in their Chromebooks at the end of the school year based on a schedule determined by each school.
- Students enrolled in summer school, including R-7 online courses, will take their Chromebooks home over the summer, turning them in when summer school ends.
- Your/Our school's collection date will be May 18th.
- Students will turn digital devices including power supplies into their teacher who will verify that the Chromebook and power supply has been returned.
- At the beginning of the 2017-18 school year, each student in grades 2-12 will receive the same Chromebook he/she used during the previous school year.
- **If a student's Chromebook has physical damage right now** -- such as broken keys or damage to the plastic housing -- please have your child turn it in immediately to have this damage fixed before your school's Chromebook collection date. This will ensure that technology has time to fix the device before it is stored for summer.

For more information about the end-of-the-year Chromebook collection, please visit <http://connect2learn.lsr7.org/faqs/>. This website also includes the replacement cost for lost power supply equipment.

Parent Survey for Leader in Me

Please take a few moments to complete the parent survey for our Leader in Me data. Each year we need to complete a student, staff and parent survey. The more information we receive the better we can plan for the next year. Thank you in advance for your time.

Online documents and forms help you keep up with school website items

To ensure that you stay up-to-date with the latest items posted to our website, Highland Park Elementary has a section of the website dedicated to documents. These include school news, PTA forms, programs and more. To receive an email update on the days we add items to the document page on the website, simply enter your email address in the subscribe box. Automated emails go out at 3:30 p.m. daily.
