## **Opportunities to help in May**

May is a BUSY time full of fun activities for students as we celebrate a wonderful school year. In order for these activities to be successful we need YOU to help :))

Now is the time to be involved! Maybe it is your final year at HPE as your child moves to the Middle School or maybe you work and don't usually have time during the day. Please consider taking the time now. You will love it and so will your child!!

Below are the opportunities for you to consider:

**Service Day - May 12th AM** - In the morning ALL students will be participating in a service project as HPE gives back to our community. Each grade level will send out info on what they need for volunteers.

**Leadership Showcase - May 12th PM** - In the afternoon we will be hosting a leadership showcase. This is a special Leadership Day just for YOU - our parents! We want to show you what has been happening with Leader in Me at Highland Park. This is time for students to show off their skills and share information. We need lots of guests in order for this to be a success! Come celebrate your Lighthouse School!!

## **Parent Survey for Leader in Me**

Please take a few moments to complete the parent survey for our Leader in Me data. Each year we need to complete a student, staff and parent survey. The more information we receive the better we can plan for the next year. Thank you in advance for your time.
