Cougar Newsletter

January 24—January 31

LSE Families,

We have an amazing night of adventure coming soon to LSE! Our Multicultural Night is February 7. We have 14 presenters who will have booths set up for you to visit and learn about a variety of cultures from around the globe. We hope you and your family will take time to learn about the amazing cultures many of our own students and staff want to share with you. We will be having a catered meal for all of our attendees. Please make sure you RSVP as soon as possible so we can make sure and order enough food! Call the front office with your total number of those attending!

We also need your help in getting headphones for your children to school. We have provided over 300 sets of headphones to students at LSE. Many students are asking for new pairs from the office. We simply cannot continue to provide multiple sets to our students due to breakage or loss. Students use the headphones daily. Please talk to your children to make sure they have a working pair that can be left at school. We appreciate your support! Stay WARM!

Educationally,

Ms. Sample

Tips for Parents:

Keep your child from losing their belongings by writing their name on them. You can write their name on the tag inside their coat, on their lunchbox and inside their hat. We have several items accumulating in our lost and found. Feel free to stop by if you are missing an item!
