Cougar Newsletter

February 21—February 28

Hello LSE Families,

As of now, Lee's Summit R-7 has missed eight days of school due to the inclement weather in our area this winter. We will be making these days up, [according to our district calendar](#), at the end of the school year. As of now, this makes our last day of school Wednesday, May 29, 2019.

According to the state legislature, every school day missed must be made up until you miss the seventh day. At that point, one day must be made up for every two days missed until 14 days are missed. After the 14th day, no more days are required to be made up. So again, this still makes the last day of school Wednesday, May 29, 2019, in accordance with state law. Although we have missed eight days, we only have to make up seven days at this point.

We will continue to keep you updated on the last day of school if we have more inclement weather days.

Thanks for being in this with us - we know it's been a lot of missed days!

Educationally,

Ms. Sample

## Tips for Parents:

Have a designated quiet space in your home for your child to do their homework. Have a pencil box of materials near by and books to read.
