Cougar Newsletter

January 17—January 24

Happy Snowy January! We know it was a rough weekend for many that lost power this past weekend the forecast is calling for more of the same starting Friday night. Please stay safe and don't hesitate to call LSE if you are in need of assistance. We will help or find resources for you and your family any way we can!

We have several amazing events coming up! This Friday is Aquatics Night at the LSR7 Aquatics Center. Let Ms. Sample know if you need assistance with the fee - she just wants families to go and enjoy! The weather is supposed to be after the event. If the timeline changes communication will be sent. The LSE Carnival is Saturday, January 26 from 11-2 and our first ever Multicultural Night is February 7 - we will have a catered dinner and 14 presenters from different cultures at their own booths! We can't wait to see you at these great events for all of our families!

Educationally,

Ms. Sample

Tips for Parents:

Please save "Box Tops for Education". They are located on some of the food packages you may buy. Send them to school with your child and we will earn money for our school. Thanks!
