Cougar Newsletter

February 7—February 14

LSE Families,

We need your help to keep ALL of our students safe. Families are starting to use the front of our building to drop off and pick up students again. I know waiting in line in the car drop off and pick up line is an inconvenience for some but this is a student safety issue. Please DO NOT drop students off on Green St or Wilson Street as this impedes traffic flow and students cannot easily be seen walking between cars or around school buses. We created the car rider zone to increase student safety and need all car riders using this zone between the building and playground. Thank you for your cooperation in keeping all students safe.

Educationally,

Ms. Sample

Tips for Parents:

Look at all papers that come home with your child. It is a good habit to check your child's backpack every evening.
