VICE PRESIDENT, FLAT BRANCH HOME LOANS

Dear Community Champion,

For over 10 years Flat Branch Home Loans has served the communities, in which we live. We are more than a financial lender - we have become your friend, part of your family, and your neighbor. We live, work and play in the communities we serve.

In effort to "give back" to the champions in our community, we created a program to help heroes like you achieve home ownership.

We care about being the fastest in the industry and the best price, but we spend more time focusing on quality, closing your loan on time, and treating our neighbors with competitive and fair pricing. Additionally, we service most of our loans - meaning we stay with you for the life of your loan - ensuring the best customer service for as long as 30 years!

Thank you for taking care of our community in our time of need, and caring for our children as they navigate this world.

You are our champion!

- Shawn Von Talge
