Communication is the key to safety. Notify school office, teacher, and the BASS Site Coordinator when using Drop-In Care.

How to Enroll & Sign Up

Go to bass.lsr7.org and click "Enroll my child." Once logged into the parent portal, register under the "2018-19 Kids Country" program. Enroll in Before & After care, and select your preferred start date. **Once enrolled, please call or email the BASS office to change your enrollment status to a "Employee Drop-In" status.**

If you are enrolling for the first time, you will need to pay the enrollment fee, which will be credited back to your account within 5 - 10 business days. For returning employee accounts, the system will remember that you are an employee account and you will not have to pay the enrollment fee.

Drop-In care requires thorough communication. Email the Site Coordinator, Attendance Secretary and your child's teacher when you wish your child to attend. Less than 24 hours notice requires verbal communication of attendance to the Site Coordinator and the school.

Employee Drop-In care does not include Non-School Days. Go to bass.lsr7.org and under the Rates & Info tab, click on the "18-19 Non-School Days Flyer" for more information on how to register.
