

# Homes *for* Heroes®

*Our way to say Thank You!*

## What is Homes for Heroes®?

Homes for Heroes® is a NO COST nationwide program that provides real savings and rewards to those who work every day to make our communities safer and better places to live. Our network of real estate professionals are dedicated to helping heroes save when buying, selling or refinancing a home. It is our way of saying *Thank You* for doing what you do.

## Who qualifies as a Hero?

Hero groups include military (active and retired), police officers, firefighters, educators and healthcare workers.

## What are the savings?

Working with a Homes for Heroes Realtor, mortgage lender and Title Company you will receive discounted home selling fees and mortgage services. If you are purchasing a home in Missouri, Homes for Heroes® will send you a reward check after closing. Plan details are slightly different when purchasing in Kansas.

## How did this program get started?

Following the tragic events of September 11, 2001 and bolstered by the shared admiration of the sacrifices made by the heroes of our society, a group of Minnesota business owners developed this program as a way for the real estate community to say "Thank You" to those heroes as they buy, sell or refinance their home.

## Can I buy any home and in any area?

Yes. This is not a government program with limitations, and can be used with any other programs. This is the private sector giving back without government involvement. And it can be used again and again.

## How do I receive my hero reward?

You must be enrolled in the Homes for Heroes® program and must be represented by a Homes for Heroes® affiliate Realtor at closing. Reward amounts are based on the transaction amount and details of the purchase. Total savings are determined upon how many Homes for Hero services are utilized during the transaction. Our lender, Title Company and home inspectors each offer discounted services, thus maximizing possible savings.

## Are Homes for Heroes® Realtors and lenders qualified and full service?

Yes! Homes for Heroes has strict affiliate membership requirements to ensure you will be represented by the best of the best! Our full service Realtors provide professional support in every aspect of buying or selling a home. Our lenders are committed to providing you with top notch service and a great discount.
