May 2017
Roaring with Pride

Principally Speaking

May is here and the end of another school year is quickly approaching. What a great year this has been! Thank you for sharing your children with us and the support you've given in their academic success. As we have just 15 ½ school days remaining before we break for the summer. I wanted to remind you the last day of school for this year is **Monday, May 22nd** and please note this is an Early Release day with students being **dismissed at 1:25pm** for the summer.

The 2017 MAP Testing period has almost concluded! Our students worked extremely hard in their testing sessions! Thank you parents for making MAP Testing a priority, as noted by the low number of make-up tests administered this year. Our students worked extremely hard during their testing sessions congratulations to our 3rd – 6th grade students for a job well done!

Chromebook Collection:

Student Chromebooks will be collected on **Tuesday, May 16th** by your child's teacher for the summer. Students will be turning in Chromebooks AND the power cords on this day and then Chromebooks will be redistributed to students in the fall. If your child is attending summer school or has registered for the 5th / 6th Online Summer course then they will be able to keep their Chromebook on the 16th and then turn them in at the end of the summer school session. If you have questions, please contact the WVE office for information.

If a damage claim has not yet been made on your child's Chromebook and they have even just cosmetic issues, such as broken keys or damage to the plastic housing – you may want to have your child turn it in to have this damage fixed before our Chromebook collection date. Your one time insurance coverage will be able to be utilized to correct these issues.

PTA Spring "Clean Up"

Spring is a time of renewal as the trees, flowers and grass begin to grow again. If you are looking for a fun family morning you are invited to join our PTA volunteers on **Saturday, May 6th from 8:30 – 10:30am** to help freshen up the Westview grounds.

Start Up Information for the 2017 – 2018 School Year

The LSR7 School District will continue the online registration process for the 2017 – 18 school year. As you start to plan for the 2017 – 2018 school year, you can anticipate receiving an e-mail from Mr. Boulden towards the end of July. This e-mail will outline this new process for all students. If you have a neighbor move in over the summer, please share the enrollment information with them. If they have questions about school please encourage them to contact the office for information. The Westview office will be open until June 2nd and will reopen on July 17th. From June 3rd through July 16th you may leave a voicemail for me at 986-1355, as I will check my voicemail regularly over the summer break.

Kindergarten Screenings

Yes, we are already gearing up for our incoming kindergarten students for the 2017–18 school year! If you have a child who will be 5 by August 1, 2017 and still need to complete your enrollment, please contact the Westview office. On May 9th we are conducting screening assessments for children currently registered. As this is a required element of the enrollment process, please contact the office if you need to schedule a screening appointment.

We appreciate you sharing this information with your neighbors if they have children eligible for enrollment! Kindergarten is the foundation upon which a child's education is forged and we look forward to helping each student build a strong educational foundation!

Kansas City Royals™

Wildcat Choirs Performing at the KC Royals Game TONIGHT, May 1st!

Have you heard the exciting news? Our very own Wildcat Choir will again be singing the National Anthem prior to the **May 1st** Royals game at Kauffman Stadium. We have many of our families who will be attending the game that night! However, if you are unable to attend, be sure to catch this awesome opportunity during the broadcast. Game time is at 7:15pm!

Enjoy your summer!

2017 – 18 classes begin on August 16th!

Parent Requests

This is the time of year we begin to plan for the next school year. If you have a request that you feel you should share with Mr. Boulden regarding your child's placement for next school year, forms are available in the office upon request and completed forms need to be submitted to the Westview Office by Thursday, May 11th. All requests must be in writing and no verbal requests will be taken into consideration.

Please, avoid requesting a specific teacher, it is much more helpful if you detail your child's learning style or special situation to assist in the placement process.

Westview Staffing Changes

As this school year comes to a conclusion, we will say goodbye to one of our Westview teachers. Congratulations and best wishes to Lauren Liberty, 1st grade teacher as she is leaving Westview at the end of this school year. Thank Lauren for the enthusiastic way you shared your love of learning and the impact you've made on your students. We wish you the best as you continue to share your gifts with others.

As we say goodbye, we also are welcoming new faces to our staff for the 2017-18 school year. Laken Heeter will be joining Angie Wishne and Allison Anderson to complete our kindergarten team.

A.M.P. It's Up!

Art

Greetings from the Art Room!

The end of the year is always bittersweet for me. I love creating with my students, but I also know it's time for a re-charge.

We are all "patiently" waiting on our clay projects to be fired, so they can be decorated and brought home to share with all of you!

Kindergarten has been inspired by Eric Carle. They have been creating their own Hungry Caterpillar using a similar process. They are ADORABLE!!!!

First Grade just finished their organic shaped GERMS, and they are busy drawing full body self-portraits.

Second Grade just finished their paper weavings, and now they are working on a continuous line owl. Be sure to ask them about their one line owl.

Third Grade just started a circle weaving on a paper plate. They painted their plates so beautifully; it will be hard to cover them with a weaving.

Fourth Grade is still working on their line landscapes. (We took a break for clay) I promise, they will be worth the wait!

Fifth Grade is finishing up their optical illusions and will begin to create a coil basket.

Sixth Grade has just started their unit on Graffiti. They are inspired and motivated to put their names on a wall.

It has been an AMAZING year with my creative cats! Have a wonderful summer and make lots of art.

Music

I can't believe it is the end of the school year! I have enjoyed working with all of your students this year and can't wait to continue singing, playing, and exploring about music next year! Here is what we have been up to the past few weeks:

Kindergarten: We have been playing different instruments using new dynamic and tempo words we have learned throughout the year!

First and Second Grade: These students have been working on writing music, (with certain guidelines) and then transferring it to play on xylophones and drums. It is a tough skill and they are doing really well!

Third Grade: Our third graders are working on playing different ostinatos at the same time in a drum circle.

Fourth Grade: We are finishing up our recorder unit. So many students have worked hard to earn all of their recorder karate belts!

Fifth Grade: We are working on a new way to identify notes in a measure - using numbers to count the beats instead of other syllables.

Sixth Grade: Our sixth graders are working on a big composing project. They are using songs they know and are changing the lyrics to be about Westview and sixth grade. Ask your student to share their hard work with you!

Have a great summer! We will see you in August!

MAY is finally here! MAP testing is almost completed and the end of the year activities are beginning.

Our character trait for the month of May is Appreciation. We have so many things to be thankful for as we come to the end of another school year. I am thankful for the students, staff and parents of Westview; A great school community because of all of you.

On May 19 we will host our Career Day. Every class will have an opportunity to participate in learning more about different careers. Last year we had a number of interesting career topics. It will be nice to see what this year brings. If you would like to participate in this event, please contact Mrs. DeSelms at 986-1356.

We have two web sites that students are encouraged to use to research various career topics. I'm attaching the link for both of those with this newsletter if you are interested in researching some career fields with them. For our younger grades we use PAWS in Jobland at this web address - <http://paws.bridges.com/ihaveaplan.php> . Our 5th and 6th grade students use the following site - <http://missouriconnections.org> and research careers under the career exploration heading. It's always interesting to hear the areas that interest students.

Below are some safety tips for your children. We've talked about the tips earlier in the year during counselor lessons but wanted to give a refresher for summer.

Make Your Whereabouts Known

The adult who's taking care of you needs to know where you are at all times. Know your safe spots? Safe spots are places where you can stop if you need help, like the houses of kids you know, your parents, friends, houses, stores, restaurants, police stations, libraries, and fire departments.

Avoid Places That Aren't Safe

Let Grown-Ups (and Only Grown-Ups) Help Strangers

It's nice to help people. But remember: Strangers should ask adults, not kids, for help.

Stay Away From Strangers' Cars

Make a Lot of Noise If You're Scared

It's been another amazing year for Westview. As summer approaches I hope you are able to have fun and relax with each other as we look forward to August and our next school year starting!

Please feel free to call me at 986-1356 or email me at Kristie.deselms@lsr7.net if you have any questions or concerns.

Kristie DeSelms

P.E.

This May in PE, the students will be finishing up our Frisbee throwing unit. Students will finish up the school year with various games.

Primary students will review and play games that will be included in our 2017 Field Day. Field Day is set for Monday, May 15, 2017. Parent volunteers are needed to make this day a success. Volunteer form can be completed online and submitted to Mr. Witzke. These forms went out Monday, April 24th.

Intermediate students will be playing a variety of games to test their physical abilities. We will also start warming up for our 7th Wildcat Relays at Lee's Summit North Athletic Complex. Date for the event is Tuesday, May 16, 2017. Parent volunteers are need for the track meet to help with our field events and timing runners. Volunteer forms can be completed online and submitted to Mr. Witzke. These forms went out Monday, April 24th.

I look forward to a fun and eventful May with the students!

DISTRICT INFORMATION

Three elected to LS R-7 Board of Education

Kim Fritchie, Jacqueline (Jackie McEntire) Clark and Dennis D. Smith were elected to the Lee's Summit R-7 Board of Education on April 4. Based on official election results, the three winners received the following number of votes: 5,319 for Mrs. Fritchie, 4,335 for Mrs. Clark, and 2,990 for Mr. Smith.

A total of 11 candidates were on the April 4 ballot, including (listed in filing order) Jacqueline (Jackie McEntire) Clark, Dennis D. Smith, Susan D. Coffman (2,660 votes), Kim Fritchie, Carl J. Quijas (637 votes), Mark Dzedzic (676 votes), Ryan N. Murdock (2,377 votes), Diego Gutierrez (2,907 votes), Michael W. McMenus (706 votes), Jill Worstell (1,673 votes) and Mark S. Augustin (797 votes).

The three new Board members will be sworn in during the April 13 Board of Education meeting. Incumbent Board members Bill Baird, Terri Harmon and Chris Storms did not file as candidates.

For more information about the R-7 Board of Education, visit <http://www.lsr7.org/school-board/board-members/>. Board of Education members are elected to three-year terms during at-large elections.

Brad Rackers named R-7 Teacher of the Year

Excellence In Teaching winners honored at April 12 event

Brad Rackers, theatre director at Lee's Summit West High School, was named Lee's Summit R-7 School District 2017 Teacher of the Year during a surprise announcement at an April 12 community reception. The reception also recognized 12 R-7 teachers who had been named Lee's Summit Chamber of Commerce Excellence In Teaching Award winners earlier this spring. Excellence In Teaching winners include Anne Braun, Woodland Elementary School; Tracy Colón, Summit Technology Academy; Susan Dunham, Hazel Grove Elementary School; Matt Good, Lee's Summit West High School;

Teresa Graves, Summit Pointe Elementary School; Mindy Haesemeyer, Lee's Summit North High School; Kim Hartman, Woodland Elementary School; Pamela Hayes, Longview Farm Elementary School; Jonathan Krinke, Lee's Summit North High School; Brad Rackers, Lee's Summit West High School; Kimberly Rues, Summit Pointe Elementary School; and Krista Tucker, Highland Park Elementary School. In addition to the Excellence In Teaching winners, other finalists for Teacher of the Year included former Excellence In Teaching winners who were nominated for the award again this year and selected as Teachers of Distinction. These former winners had the opportunity to interview along with this year's award recipients for Teacher of the Year and were also recognized April 12. They are Erica Arbuckle, Hawthorn Hill Elementary School; Jen Posson, Summit Pointe Elementary School; and Stu Reece, Bernard Campbell Middle School.

New administrators named by Board of Education

Three new administrators were named at the Lee's Summit R-7 School District Board of Education meeting on April 13. They include Dr. Jennifer Corum, who will serve as the district's assistant superintendent of elementary instruction; Dr. Chad Hertzog, new principal for Lee's Summit West High School; and David Mitchell, who will serve as principal at Summit Lakes Middle School. All three will begin their new jobs on July 1.

Dr. Corum will replace Dr. Katie Collier, who was recently named Lee's Summit R-7 associate superintendent of instruction and leadership. Dr. Hertzog is replacing Dr. David Sharp, who is leaving Lee's Summit West to become the district's assistant superintendent of secondary instruction. Mr. Mitchell will replace Dr. David Carlson, who is leaving Summit Lakes Middle School to become the district's executive director of classified personnel.

Dr. Corum is currently executive director of elementary education for the Liberty School District. She previously served as director of curriculum for the Park Hill School District, as an elementary principal and as a sixth- and fifth-grade teacher. In addition, she has served as an adjunct master's education professor for Northwest Missouri State University, the University of Missouri-Kansas City and Park University. Dr. Corum will join Lee's Summit R-7 as Dr. Kephart after her June wedding.

Dr. Hertzog currently serves as assistant principal/activities director at Lee's Summit High School. He previously worked as an assistant principal and mathematics teacher at LSHS. In 2012, he was named the Assistant Principal of the Year by the Greater Kansas City Missouri Principal's Association.

Mr. Mitchell is currently principal at Raymore-Peculiar East Middle School. He previously worked as middle school principal and assistant principal in the Independence School District as well as principal of the Independence middle level summer program. Prior to beginning his administrative career, Mr. Mitchell served as a teacher at the elementary and middle school levels in Independence and Columbia. In 2005, he was named the Greater Kansas City Missouri Principal's Association Principal of the Year.

Several LS R-7 schools to change start/end times for 2017-18 to increase efficiency and save money

Westview's start/end time is changing from 8:55am – 3:55pm to 9:00am – 4:00pm.

Beginning with the 2017-18 school year, several Lee's Summit R-7 schools will change their start/end times in order to increase bus routing efficiency while saving significant dollars for our schools.

Westview's start/end time is changing from 8:55am – 3:55pm to 9:00am – 4:00pm. For our school, this will mean that the earliest time students may be dropped off in the morning is 8:50am.

The changes are designed to allow our Transportation Department to continue to offer a high level of service to families while reducing the number of school bus routes required to transport students to and from school. The Lee's Summit R-7 School District will save approximately \$120,000 in anticipated additional transportation staffing in 2017-18 while avoiding the purchase of several new school buses, estimated at \$520,000.

These transportation savings are especially important since the state continues to reduce funding for public school transportation. State reimbursement for public school transportation continues to be significantly underfunded with Lee's Summit R-7 funding 71 cents of every dollar spent on student transportation while the state contributes 29 cents toward every dollar spent. Full state transportation reimbursement would result in state funding of 75 cents of every dollar spent with Lee's Summit R-7 responsible for 25 cents of each transportation dollar. For the R-7 School District, the state underfunding of transportation results in a loss of \$3 million this school year.

The changes also provide for a more consistent schedule among schools. Instead of three start/end times for elementary schools, there will be two next year. The three middle schools will start/end within 10 minutes of one another next year instead of the 20-minute span in start/end times this year. For the three high schools, the change will result in all three schools starting and ending at the same time.

The district's Before- and After-School Services (BASS) program is adjusting its schedule to fit changes at schools. The decision to make the changes to the start/end times involved district administration, principals, transportation staff and BASS employees. Staff members worked together to develop the plan, emphasizing excellent service for students as well as the necessity of being fiscally responsible.

The current and 2017-18 start/end times for all schools are listed in the following chart.

Tier 1

Proposed			Current	
	Start	End	Start	End
LEE'S SUMMIT HIGH SCHOOL	7:30	2:23	7:35	2:28
LEE'S SUMMIT NORTH HIGH SCHOOL*	7:30	2:23	7:35	2:28
BERNARD CAMPBELL MIDDLE SCHOOL*	7:40	2:35	7:45	2:40
LEE'S WEST HIGH SCHOOL	7:30	2:23	7:30	2:23
SUMMIT LAKES MIDDLE SCHOOL	7:30	2:25	7:30	2:25
PLEASANT LEA MIDDLE SCHOOL	7:30	2:25	7:50	2:45
MILLER PARK CENTER	7:25	2:25	7:25	2:25
SUMMIT RIDGE ACADEMY	7:30	1:30	8:00	2:00

Tier 2

Proposed			Current	
	Start	End	Start	End
CEDAR CREEK ELEMENTARY	8:20	3:20	9:00	4:00
GREENWOOD ELEMENTARY	8:20	3:20	8:20	3:20
HAWTHORN HILL ELEMENTARY	8:20	3:20	8:20	3:20
HIGHLAND PARK ELEMENTARY	8:20	3:20	8:20	3:20
LEE'S SUMMIT ELEMENTARY	8:20	3:20	9:00	4:00

WESTVIEW ELEMENTARY	9:00	4:00	8:55	3:55

LS R-7 Board of Education now videotaping regular monthly meetings

Videotaped meetings are available on Fridays after each meeting

Beginning in December, Lee's Summit R-7 Board of Education regular monthly meetings are being broadcast online. The meetings are available on the district's [YouTube Channel](#) and on the district's [BoardDocs webpage](#).

At the Board's November meeting, Board members approved a videotaping agreement with Cinematic Visions of Lee's Summit. The online meeting broadcasts are designed to provide better public access to Board of Education meetings. The agreement includes videotaping of each regular monthly Board meeting from December 2016 through June 2017. Next spring, the Board of Education plans to evaluate the service.

Board of Education meetings are usually on the third Thursday of each month although a few meetings are moved each year. Regular monthly Board meetings for December 2016 through June 2017. Meeting dates are Dec. 15, Jan. 19, Feb. 16, March 16, April 13, May 18 and June 15. Board meeting videos are available on the YouTube channel on Friday afternoon after the Thursday evening meetings.

School supporters invited to subscribe to electronic newsletter focusing on legislative advocacy

The 'R-7 Advocacy' electronic newsletter provides interested individuals with relevant and timely information about legislative activities. Through this electronic communication, we will also occasionally ask subscribers to consider contacting their elected officials about specific proposed legislation that would impact Lee's Summit R-7 students.

If you would like to subscribe to this newsletter, please visit <http://tiny.cc/epjg3x> or e-mail Janice Phelan at janice.phelan@lsr7.net and ask to be added to the list. The R-7 Legislative Platform is available at <http://tiny.cc/5vjg3x>. This website also includes a list of area elected officials and a Toolkit for Advocacy, developed with the assistance of the Missouri School Boards Association.

Will you tell us your story about student success through R-7 Story Project?

Do you have a story about your child that you'd like to share focusing on his or her success in school? As part of "The Story Project," Lee's Summit R-7 is featuring personal stories about our students and their accomplishments in school. We are looking for stories about a specific incident or an individual school staff member making a positive difference for your child.

The stories may be about children from birth through high school and may be submitted by parents and guardians of both past and present students. Stories should be 200 words or less and should go to janice.phelan@lsr7.net. You may also contact Janice Phelan to provide general information, and she will draft your story for your review.

For more information about The Story Project, visit the [website](#).

Sign up to receive 'R-7 News Update,' your weekly source for district news

"R-7 News Update" is published weekly by the school district and is a great source of information for parents and community members alike. Visit our website at <http://tiny.cc/q2ig3x> to sign up for the electronic newsletter and stay informed.

Families encouraged to visit website featuring student-related flyers

Lee's Summit R-7 families are encouraged to frequently visit the district's informational flyers web page to learn about a wide variety of family and children's activities and events. The website includes student-related informational flyers from the R-7 School District as well as Missouri not-for-profit organizations and is located at <http://ow.ly/URe3k>.
