

Leadership Day 2019 2/28/19

Please consider spending the morning with us!

Please join us on February 28th for a glimpse into what Leadership looks like at Highland Park Elementary. As a Leader in Me Lighthouse school, our students learn and practice the 7 habits as defined by Steven Covey. They are all involved in Leadership at multiple levels within our school.

We would love for you to attend our Leadership Day. This is time for students to showcase some of the things they do and also practice/experience their roles with those outside of our school community.

I guarantee you will be impressed by what the students know and do and also be very encouraged about the future leaders in our Community. Maybe you will even get a few ideas as we share how to develop leaders from the minute our students begin school with us as Kindergartners.

Leadership Day Schedule:

8:15 - 8:40: Guest arrival: Guests will check in, go to library for folder of information for the day. Brief presentation will begin at 8:30.

8:40 - 9:10: Academy Time: Each group will spend about 7 minutes in academy visits. You will visit 3 different Leadership Academies.

9:20 - 10:05: Classroom Visits: Groups will be scheduled to visit classrooms.

10:15 - 10:45: Student Led Assembly

10:45 - 11:00: Q and A with staff members

I really hope you will consider spending a few hours with us that morning!
Thank you!!

To register, please follow the RSVP below!

Leadership Day

Thursday, Feb. 28th, 8:15am

400 Southeast Millstone Avenue

Lee's Summit, MO

A part of being a Leader in Me school is sharing our learning and offering the students a time to share what they know and practice with those outside of our school. It is important that when we have this yearly event, we have plenty of guests for the students to interact with during the day. Please consider joining and get a sneak peek into what is happening in YOUR school. You will get to see things that I would imagine most of you have not seen before and see how the Leader In Me impacts the students as they prepare to be successful in all areas of life!

RSVPs are enabled for this event.
