

Longview Farm Elementary

Bike Pass Application

2018-19

You are welcome to apply for a Longview Farm Elementary Bike Pass. Please read the criteria below to see if you are eligible for a bike pass.

- You are a 3rd,4th, 5th or 6th grader during the 2018-19 school year.
- You have a working bike lock that you can bring to school each day.
- You have and are willing to wear a safety helmet each day you bike to school.

If you meet these criteria, you are welcome to apply for a bike pass for the school year.

Parents, please fill out the portion below to acknowledge your permission for your child to ride his or her bike to school. Each child applying will need their own application. Signed applications will be numbered as they are turned in and that same number will become your child's pass number. Passes will be issued throughout the first couple of weeks of school. Students with passes may begin riding their bikes the Tuesday following Labor Day. If you have any questions at all, please don't hesitate to contact the school office.

I have read the above information and will familiarize myself with the R-7 School District guidelines on bicycle riding found in the district Elementary Handbook. I give my child permission to be eligible for a bicycle pass.
