Dear Parents,

Welcome to Bernard Campbell Middle School. We would like to invite you to a Seventh Grade Orientation Program for parents of current sixth grade students on, **Thursday, February 21st** at Bernard C. Campbell Middle School. Teachers from all subject areas will have information available from 6:00 to 6:20 p.m. and parents may tour the building at this time. The school store will also be open for Mustang Nation purchases. The orientation program and a discussion of enrollment procedures will begin at 6:30 p.m. in the Main Gym. This presentation will conclude at 7:30 p.m.

Your child will soon make the transition from elementary to middle school. One part of this process requires making decisions about their academic courses. This orientation provides an opportunity for parents to ask questions and become acquainted with the middle school environment and the many educational opportunities available.

Our counselors will also be visiting your child's elementary school to provide information about BCMS. Your child will participate in this orientation program between February 22nd and February 28th. See dates below.

We hope this evening will answer your questions and enable you to better support your child during the transition to middle school. We look forward to seeing you Thursday, February 21st.
