Sunset Valley Backsnack Program

Sunset Valley Elementary is pleased to offer the Backsnack Program. Abundant Life is partnering with us to help families who request backsnacks. Each student will receive a plastic bag filled with nonperishable food items. The students will take the food home on Thursdays. Families may participate for the entire school year or for a designated period of time.

On Thursdays, students will pick up or be delivered a plastic bag filled with food to place in their backpack. This process will be discreet, If a student does not have a backpack or needs an additional one to transport the food we can provide this as well. Please indicate if you are in need of a backpack when e-mailing or calling to join the program.

If your family is interested in participating in the Backsnack Program please e-mail SVE's school counselor at jodi.mahurin@lsr7.net or call 816-986-4246. Please include your child/children's name(s) and teacher.

Participation in the Backsnack program remains confidential and continues as long as food items are available. If you would like to discontinue at anytime please contact Jodi Mahurin.

Please note: Sunset Valley Elementary School or Abundant Life are not responsible for any allergic reaction you or your child may have to the items supplied. Please look through the items before giving them to your child to avoid any allergic reaction. Thank you for your understanding.

Our mission is to impact lives through **POWER**: *Positive Outcomes Within Education & Relationships*.
